# SAILING IN THE CARIBBEAN FOR 8

Spend five nights cruising the Virgin Islands aboard Somewhere Hot, a luxury power catamaran. Somewhere Hot is a 51-foot luxury with plenty “get up and go” and space to accommodate up to eight guests for a captained-only trip. Don’t waste time getting to the next bay – this baby will allow you to see more and do more during your charter. With Wi-Fi and a cell booster, you can stay as connected as you like, even if it’s just to post pics to make your friends jealous. The crew will pamper you while you enjoy the sun and sea from the most comfortable and stable yachting platform imaginable. Turn up the music and turn down the stress. You will never want to leave. There are four air-conditioned staterooms, each with its own bathroom and standup shower. With six separate lounging areas, the boat has ample space to spread out to relax and unwind or party in style – even when fully loaded. The massive flybridge with its own sundeck, wet bar, refrigerator, ice maker and electric grill is the social center of the boat. Pick the right playlist, fire up the blender, and toast the end of day as the sun says goodnight.
