Your package redemption details will be emailed to initiate the booking process, and you will be connected to your concierge. This package is available through the end of 2027. Reservations must be booked at least 60 days in advance. Packages may not be transferred or resold. Tickets will be available for pick-up at the event or mailed in advance. Reservations are subject to availability, blackout dates, and major holidays. Performers listed are subject to change if tour plans are altered due to health issues or other unforeseen circumstances, and some performance dates are restricted and not available for this package. Taylor Swift and Metallica are not available through this package. Airfare, meals, and activities are not included unless specifically listed under Trip Details.

ULTIMATE CONCERT EXPERIENCE: 100 LEVEL SEATS

The whole package turns on one decision, and it's yours to make: pick any artist or tour from this year's list, choose a city and date on their schedule, and we build the trip around it. Whatever "the ultimate concert" means to you — a stadium rock night, a pop tour, country, hip-hop, metal, Latin, K-pop — this is the package that lets you decide.

It includes two concert tickets in the 100 level to the tour you choose, plus a two-night stay for two at a Hilton, Hyatt, Marriott, or similar hotel. Your personal concierge helps you weigh the options, lock in the city and date that work for you, and plan the experience around the show.

The list spans every genre and changes through the year as new tours are confirmed, so the choice only gets wider between now and when you book. It's the rare auction item where the winner designs their own night — which is exactly why it draws bids from across the room instead of only the fans of one act.
