Enjoy a 7-night stay for 6 guests in a beautifully restored 19th-century mill perched on the banks of the Seine River in Burgundy, France. This experience combines a private residency in a historic riverside home with a signature three-course dinner at a nearby Michelin-starred restaurant and a case of local Crémant wine delivered upon arrival. Your stay includes 3 bedrooms, 3 bathrooms, 2 living rooms, and a peaceful garden with a private hot tub and sauna, providing an elegant home base for exploring the famous vineyards of Beaune and Champagne.

The estate is a 19th-century mill that retains its original charm while offering a spacious kitchen and gated courtyard for privacy. The garden serves as a quiet retreat, featuring both a sauna and a hot tub overlooking the river. Located in the heart of Burgundy, the house is positioned within easy reach of medieval Dijon, the 12th-century Fontenay Abbey, and the picturesque villages of the Côte de Nuits. Whether you are touring the wine roads to the south or heading north toward the Champagne region, the mill offers a central and character-filled sanctuary.

Your stay features a curated culinary experience at a Michelin-starred restaurant located within a 19th-century chateau, just a 20-minute drive from the mill. You will enjoy an exceptional 3-course dinner showcasing the seasonal flavors of the French countryside. To welcome you to the region, a case of local Crémant—a light, sparkling wine—will be waiting at the estate. This combination of fine dining and local viticulture provides a true taste of the Burgundian lifestyle.
