CENTRAL VIETNAM GOLF ESCAPE

Think of this as the ultimate sport and cultural takeover of Central Vietnam. This curated itinerary is built entirely around seven nights of 5-star luxury split between the vibrant coast of Da Nang and the pristine shores of Lang Co. Paired with three rounds on the country's most legendary championship courses, it combines top-tier fairway play with private guides, hands-on culinary experiences, giving you a completely seamless journey through old and new Vietnam.

The golf on this trip operates on an entirely different level. You kick off your first 18 holes at the oceanfront BRG Danang Golf Resort, playing directly through massive, dramatic sand dunes. Next, you tackle Hoiana Shores Golf Club, a pure seaside links course where the ocean breeze shapes every single swing. You finish the rotation at Laguna Golf Lang Co—a breathtaking masterpiece framed by raw mountains and the sea that was officially voted the absolute best golf course in Vietnam. Every single round comes fully loaded with your own private caddy and golf cart so you can focus entirely on your game.

When you aren't on the greens, your English-speaking guides fast-track you into the heart of local history. You'll explore the cave temples of the Marble Mountains, dive into the aromatic energy of Da Nang's Han Market, and see ancient sculptures at the Cham Museum. In the lantern-lit streets of Hoi An, you'll sit down for a hands-on lantern-making workshop and a private cooking masterclass. In the old imperial capital of Hue, you'll walk the historic Imperial City, stand before the iconic Thien Mu Pagoda, stroll along the Perfume River, cycle through quiet rural villages, and meet local families.

From the ancient villages to the award-winning greens, don't leave three of Asia's most dramatic courses off your lifetime scorecard. This is your shot to experience a flawless, bucket-list week on Vietnam's ultimate fairways.
