SICILY SEASIDE VILLA FOR 4

Seven nights for four at a contemporary villa on Sicily's southeastern coast, set near the seaside village of Marzamemi and just a short walk from the clear waters of San Lorenzo. With two bedrooms, two bathrooms, and its own saltwater pool, it's a relaxed, private base for a group of four to settle into island life. Surrounded by a lush Mediterranean garden, the villa opens onto generous terraces made for life outdoors — long lunches under the sun, slow afternoons by the pool, and warm evening light settling over the landscape. The feel is calm and unhurried, with easy access to some of the island's most beautiful beaches. It's also well positioned for exploring. From here you can reach the historic streets of Syracuse, the Baroque towns of the Val di Noto, and the nature reserves and fishing villages that line this stretch of coast. A welcome basket of wine, fresh fruit, and local provisions is waiting when you arrive, a local representative greets you at the villa in person, and there's 24-hour local support throughout your stay. A traditional Sicilian cooking class with a local chef is part of the experience, too. There are no hidden consumption or cleaning fees at the end of the stay.
