TUSCANY TRUFFLE HUNT FOR 6

Seven nights in a three-bedroom, three-bathroom Tuscan villa for up to six guests, with a truffle hunt at the center of the trip. You'll head into the countryside with an expert guide and a trained dog to find truffles of your own, then sit down to a farmhouse lunch built entirely around what you dug up. The hunt is yours to enjoy: guided by someone who knows the ground, and a dog trained to sniff out what's hidden beneath it, you'll search the Tuscan countryside for truffles yourself. From there, it's on to a nearby farmhouse, where lunch is built around the day's find — truffles prepared and served where you can taste exactly what you spent the day digging for. Transportation for the hunt isn't included, but it's available upon request. Home base is a three-bedroom, three-bathroom villa in the Cortona area of Tuscany, right on the border with Umbria, with a private pool, a professional kitchen, and air conditioning throughout — properties like Villa Lavanda, Villa Santa Lucia, and Villa Silena are typical examples, though the exact property depends on availability for your dates. Electricity, heating, final cleaning, and utilities are all taken care of, and a concierge is on hand to add extra activities to your stay.
